			June 2023	August 2024	

\* UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: [kaplanpathways.com/uk/ielts/](https://kaplanpathways.com/uk/ielts/)

**Academic entry requirements:** for all course options above, you need to have completed at least 3 years of higher education in a suitable subject. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: [kaplanpathways.com/nottingham/pg-degrees](https://kaplanpathways.com/nottingham/pg-degrees)

**Your course length:** this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

**Common modules taken by all students:**

- › English for Academic Purposes
- › Research Project

**You will also take 2 of the following modules to prepare for postgraduate study<sup>†</sup>:**

- › Advanced Statistics
- › Project Management
- › Strategic Management
- › UK Society and Culture (Advanced)

**Personal development activities:** during your course, you'll also have activities to build practical, digital and employability skills.

**Learn more about modules:** you'll find module summaries later in this booklet.

**Do you want to add an internship to your course?**

You can take an integrated online internship as your final term, and gain additional career skills and experience before you start your degree.

**Learn more:** see the next page for more details.

**Extra support:** for courses of over 2 terms, you will also take Extended English and Skills modules before the modules to the left.

**Students on a 2.5 or 3-term course will typically take:**

- › English for Academic Study 3
- › Independent and Collaborative Study
- › Reading and Writing 3
- › Speaking and Listening 3

**Students on a 3.5 or 4-term course will typically take:**

- › English for Academic Study 2 + English for Academic Study 3
- › Independent and Collaborative Study
- › Reading and Writing 2 + Reading and Writing 3
- › Speaking and Listening 2 + Speaking and Listening 3
- › Study Skills Preparation

<sup>†</sup> For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

† For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.

**Advanced Social Science**

Learn about the key theories in social sciences, and their relation to methodologies in the field.

**Advanced Statistics**

Critique research data and apply standard statistical tools for the analysis of research quality.

**Engineering, Science and Society**

Gain an awareness of ethical issues and debates surrounding research and innovation in the sciences.

**English for Academic Purposes**

Develop your English to the level you need for university study, and to really get involved in academic discussions.

**English for Academic Study 2**

Improve your English grammar and vocabulary in order to communicate in an academic environment.

**English for Academic Study 3**

Expand your knowledge of English grammar and vocabulary to the level required for degree study.

**Independent and Collaborative Study**

Work independently and in teams on an academic task, and practise applying your subject knowledge and study skills.

**Philosophy, History and Culture**

Explore Western philosophy and its history, and analyse events and developments in your degree in a historical and cultural context.

**Project Management**

Gain key skills in project management, and apply your knowledge to a project.

**Reading and Writing 2**

Develop your English reading and writing so that you can understand and articulate ideas and reasoning.

**Reading and Writing 3**

Develop your English reading and writing skills to a sufficient level to communicate complex ideas.

**Research Project**

Plan, carry out and report a thorough research project. Choose a topic that matches your degree and career goals, and personal interests.

**Speaking and Listening 2**

Practise listening and speaking so that you are better prepared for academic debate and discussion.

**Speaking and Listening 3**

Improve your ability to listen and speak in English, allowing you to fully engage with academic topics.

**Strategic Management**

Explore key concepts of strategic management, and evaluate their impact on businesses and their operations.

**Study Skills Preparation**

Gain an introduction to the wide range of skills and strategies you'll need to succeed at university, such as research methods and using and citing sources.

**UK Society and Culture (Advanced)**

Learn more about a range of aspects of British culture, as well as British cultural and social institutions.

**Online internships**

Following academic study, you'll take a one-term online work placement if you study a pathway course with internship.

The internship is offered in partnership with Virtual Internships, a leading education company in the field. This gives you the chance to gain valuable work experience at one of 3,500+ companies around the world.

You will be assigned one of 18 career fields on your internship, based on your chosen progression degree. This will help you develop important skills, practise your English and give you some great experience to add to your CV.

Find out more on our website:

**Personal development activities (all courses)****Culture and activities**

We'll help you have a hugely beneficial cultural and social experience, and encourage you to explore different activities, sports, crafts and more. You might learn about local history and culture, or develop your wider subject knowledge and understanding of related industries.

**Employability and digital skills**

Outside of your academic learning, you'll also be taught skills that will be useful at university and later in life. You'll receive help in making the most of your creativity, improving your communication and developing your digital skills. We'll also help you build a CV, portfolio and online profile to empower you after you graduate.

**Social network**

Forming a strong social network can be very beneficial, even if it's just to discuss and debate ideas. Not only will you get to know your classmates, you'll also have opportunities to join professional bodies, and network with students and industry professionals: something that can be really helpful when you go on to start your career.

## Pre-Doctorate

A Pre-Doctorate will help you prepare for an Engineering-related doctoral degree in the UK. You're guaranteed an interview with the University of Nottingham's highly-respected Faculty of Engineering if you're on track to successfully complete your course.
