Useful information

You can find some helpful information below to guide you through your accommodation application.

Accommodation Agreement

The Accommodation Agreement is a contract confirming the details of your accommodation. By signing your Accommodation Agreement, you are agreeing, under UK law, to pay for your accommodation for the full length of the accommodation contract.

Accommodation confirmation

You must complete the required steps in order to secure your booking. If you fail to do so by the accommodation confirmation date, your agreement may be cancelled and your room given to another student to book. If your Accommodation Agreement is cancelled, and you tell us that you would still like to book Kaplan-arranged accommodation, you will be offered the next available room.

Accommodation portal login

You'll receive your login details via email once you have accepted your study offer.

Accommodation length change

You may not change your contract length after you have booked and signed your Accommodation Agreement.

First payment

The first payment is to secure your accommodation along with the signed Accommodation Agreement. The £1,000 first payment is then divided into £250 for the security deposit and £750 towards your accommodation fees. Your security deposit will be fully returned when you move out of your accommodation. It will not be refunded if the room is damaged or left in bad condition, or if there are any accommodation penalty charges outstanding.

Guarantors

A guarantor is someone who will be legally responsible for any accommodation fees you are unable to or fail to pay.

Kaplan Living Special Support

Because your wellbeing is extremely important to us, we are offering extra assistance to students staying at Kaplan Living Nottingham. This package is called Kaplan Living Special Support. With this service, Wellbeing Coordinators will be on hand to help you settle into life in the UK, assist with any problems you encounter, and ensure that you can live and study with us safely. This 24/7 support is available to all students for an additional fee of £300 — just tick the box when making your booking via the accommodation portal to confirm you'd like to sign up to the service. This is an optional extra service for students over the age of 18; for those under 18, it is mandatory for their wellbeing.

Moving into your room

You will be able to move into your room from the start date of your contract, but only if you have sent us your signed Accommodation Agreement and first payment.

Refunds

When your Accommodation Agreement is cancelled and you decide not to take another offered room, refund of any fees paid will only be granted in line with Kaplan International Pathways' Terms and Conditions, and may be subject to an administration fee being deducted. If you leave the College for any reason after you arrive, accommodation fees will not be refunded.

Under 18s

The College will accommodate students under 18 years of age in a single-sex flat with other students under 18 years old. Students who are under the age of 18 on arrival in the UK may be asked to pay all their accommodation fees before they arrive, and are advised to stay in either Kaplan or university-arranged accommodation.

Visa

If your visa application is unsuccessful, please send a copy of your visa refusal documents (or other evidence) to your Admissions Adviser for review. A decision will then be made regarding eligibility for refund in line with the company's terms and conditions.
