# Useful information

You can find some helpful information below to guide you through your accommodation application.

## Accommodation Agreement

The Accommodation Agreement is a contract confirming the details of your accommodation. By signing your Accommodation Agreement, you are agreeing, under UK law, to pay for your accommodation for the full length of the accommodation contract.

## Accommodation confirmation

You must complete the required steps in order to secure your booking. If you fail to do so by the accommodation confirmation date, your agreement may be cancelled and your room given to another student to book. If your Accommodation Agreement is cancelled, and you tell us that you would still like to book Kaplan-arranged accommodation, you will be offered the next available room.

## Accommodation length change

You may not change your contract length after you have booked and signed your Accommodation Agreement.

## Accommodation portal login

You'll receive your login details via email once you have accepted your study offer.

## First payment

The first payment is to secure your accommodation along with the signed Accommodation Agreement.

## Guarantors

A guarantor is someone who will be legally responsible for any accommodation fees you are unable to or fail to pay.

## Moving into your room

You will be able to move into your room from the start date of your contract, as long as you have sent us your signed Accommodation Agreement and first payment.

## Refunds

When your Accommodation Agreement is cancelled and you decide not to take another offered room, refund of any fees paid will only be granted in line with Kaplan International Pathways' Terms and Conditions, and may be subject to an administration fee being deducted. If you leave the College for any reason after you arrive, accommodation fees will not be refunded.

## Under 18s

The College will accommodate students under 18 years of age in a single-sex flat with other students under 18 years old. Students who are under the age of 18 on arrival in the UK may be asked to pay all their accommodation fees before they arrive, and are advised to stay in either Kaplan or university-arranged accommodation.

## Visa

If your visa application is unsuccessful, please send a copy of your visa refusal documents (or other evidence) to your Admissions Adviser for review. A decision will then be made regarding eligibility for refund in line with the company's terms and conditions.
