Living in Essex

The University of Essex International College is close to Colchester, a historic town in the vibrant English county of Essex. There's lots on offer for students: scenic countryside, charming villages and miles of pretty coastline. Essex is also an easy train journey from the excitement of London, but with a much lower cost of living.

Experience Essex

History

Essex has a rich and fascinating history for you to explore. In fact, Colchester is the oldest recorded town in Britain. Even now, it still retains the feel of a medieval market town, and the rest of Essex also has plenty of sites of historical interest to see: you can visit impressive castles, fascinating museums and even a hidden nuclear bunker!

Shopping

Essex is a great place to go shopping, with traditional food and clothes markets and bustling high streets selling everything you could need! There are major retail parks to explore, and Essex's towns are great places to find everything from designer brands to arty boutiques. Plus, with London so close, you will have one of the world's best shopping destinations on your doorstep.

Sport

Sports such as football, rugby, tennis and cricket are very popular in the UK. You'll have lots of opportunities to get involved, and the University of Essex itself has a great range of sports facilities that you can use. For exercise that's a little more relaxed, Colchester is home to many lovely routes for walking and cycling, including the Wivenhoe Trail.

Food

If you start to miss food from your home country while you're living in the UK, don't worry! Essex is a multicultural county, and you will find great variety, from Indian curries to Chinese dim sum and more. Of course, you can also try traditional British food at Essex's many restaurants and pubs, and its coastline is the perfect place to eat fresh fish and chips.

Events

Throughout the year, there is a wide range of fairs, festivals and events that you can discover in Essex. From seeing the world's biggest music artists at V Festival, to the Brightlingsea Food and Drink Festival in Colchester, there's so much going on!

Outside Essex

While Essex has a lot to offer, you will also have a great chance to explore the rest of the UK. London, with its many museums, galleries and events, is just a short train ride away, as are Oxford and Cambridge. You can also see some of the UK's areas of outstanding natural beauty, or even take a trip to continental Europe from Stansted or Southend Airport.

Accommodation Agreement

The Accommodation Agreement is a contract confirming the details of your accommodation. By signing your Accommodation Agreement, you are agreeing, under UK law, to pay for your accommodation for the full length of the accommodation contract.

Accommodation confirmation

You must complete the required steps in order to secure your booking. If you fail to do so by the accommodation confirmation date, your agreement may be cancelled and your room given to another student to book. If your Accommodation Agreement is cancelled, and you tell us that you would still like to book Kaplan-arranged accommodation, you will be offered the next available room.

Accommodation length change

You may not change your contract length after you have booked and signed your Accommodation Agreement.

Accommodation portal login

You'll receive your login details via email once you have accepted your study offer.

First payment

The first payment is to secure your accommodation along with the signed Accommodation Agreement.

Guarantors

A guarantor is someone who will be legally responsible for any accommodation fees you are unable to or fail to pay.

Moving into your room

You will be able to move into your room from the start date of your contract, as long as you have sent us your signed Accommodation Agreement and first payment.

Refunds

When your Accommodation Agreement is cancelled and you decide not to take another offered room, refund of any fees paid will only be granted in line with Kaplan International Pathways' Terms and Conditions, and may be subject to an administration fee being deducted. If you leave the College for any reason after you arrive, accommodation fees will not be refunded.

Under 18s

The College will accommodate students under 18 years of age in a single-sex flat with other students under 18 years old. Students who are under the age of 18 on arrival in the UK may be asked to pay all their accommodation fees before they arrive, and are advised to stay in either Kaplan or university-arranged accommodation.

Visa

If your visa application is unsuccessful, please send a copy of your visa refusal documents (or other evidence) to your Admissions Adviser for review. A decision will then be made regarding eligibility for refund in line with the company's terms and conditions.
