Common modules taken by all students:

- Language and Study Skills 2[†]
- Statistics

You will also take 2 of the following modules that fit your degree and career goals[†]:

- 21st Century Media
- Advanced Mathematics
- Introduction to Economics
- Introduction to Law
- Robotics, Programming and Electronics
- State and Society

[†] Note: students on the 1.5-term course will have fewer taught hours of Language and Study Skills 2, because of their higher English language level at the point of entry.

Extra support: for courses longer than 2 terms with no internship, you'll also take Academic Skills and English language modules to gain extra university preparation:

- Contemporary Global Issues
- English for Academic Purposes
- Foundation Mathematics

Learn more about modules: you'll find module summaries later in this booklet.

 Optional integrated online internship

For selected course options and just a small extra fee (maximum £1,490), you can take an online internship as an additional final term while at the Pathway College in the UK. You will:

- apply and further develop your English language in a professional setting
- build real-world experience related to your degree subject at university
- gain additional career skills and experience and boost your CV before your degree.

See the undergraduate module summaries section for more details.

* UKVI IELTS alternatives: we can accept other tests as proof of English language. Learn more at: kaplanpathways.com/uk/ielts

Academic entry requirements: for all course options above, you need to have completed high school at the required level. For requirements specific to your country, select your preferred degree and pathway course from our online Degree Finder: kaplanpathways.com/york/ipc-ug-degrees

Your course length: this is influenced by your English language score that you submit as part of the admissions process. Soon after your course starts, we'll check your English and academic level again to make sure you're on the most suitable study plan, with modules that best fit your skills and goals.

[†] For some degrees, the University will require you to take particular modules. Details are on the online Degree Finder and will be in your offer letter.
